

A green beaded necklace with two dog tags. The necklace is made of small, round green beads and is arranged in a loose, overlapping loop. The two dog tags are attached to the necklace and are light green with a darker green border. The top dog tag is smaller and contains the question "What keeps you in the AmeriCorps Program?". The bottom dog tag is larger and contains a testimonial quote.

What keeps you in the  
AmeriCorps Program?

"I finally had a purpose  
again—a good motivator for me.  
Volunteering and helping people  
is very satisfying."
